Re: Fernhurst Sports FC - New Pavilion 2022

I am writing with reference to the proposed project to confirm that we at Sussex County FA are in support of the works proposed.

This site, is used by Fernhurst Sports FC and other sports. Fernhurst Sports FC operate two Adult teams and seven Youth teams (both Male and Female) / Mini-Soccer. The club are a FA Charter Standard Youth Club and are continuing to develop and grow new teams.

The proposed new Pavilion will provide changing rooms to FA specification and additional social space, which is important to the club, and will accommodate the growth demand on the site, especially for new Youth teams.

In addition to the above, the site could be used by Sussex County FA as venue for some Coach Education delivery. This could see Introduction to First Aid in Football and FA Safeguarding Children Workshops.

In conclusion this project very much supports the Sussex County FA objectives of retaining and increasing participation in football and will provide much needed stability to Fernhurst Sports FC by providing a quality environment where players, coaches and parents, both young and old can meet and relax, thereby creating a real "community" feel to the club.

This project is fully supported by the Sussex County FA, and we wish you every success with your plans.

Kind Regards
